

RT Specialty's Environmental & Construction Professional (RT ECP) Practice studied its Contractor's Professional Liability (CPoL) book of business for the 2023 calendar year to determine the average and highest limits purchased by various types of contractors. The results of our research, depicted in the following graph, reflect contractors who purchase CPoL insurance. These contractors represent general contractors and specialty trades across the country, range from \$1 million to over \$5 billion in annual revenues, and perform various types of project delivery methods.
