

RT's Environmental & Construction Professional (RT ECP) Practice studied its Real Estate Developer's Errors & Omissions (RED E&O) book of business for the 2021 calendar year to determine the average and highest limits that owners and developers are purchasing. Figure 1 below reflects the results of our research for owners and developers with construction values up to \$500 million. Figure 2 represents the average and highest limits purchased by project type.

FIGURE 1: RED E&O AVERAGE/HIGHEST LIMITS BY CONSTRUCTION VALUE
